

# Oklahoma Department of Transportation Monthly Fuel Price Index

As per Special Provision 109-3(a-c)09.

The price shown is the 5-Day Average rack price for No. 2 Red-Dyed Distillate (Diesel Fuel) - ULS (Ultra Low Sulfur), as listed for Oklahoma City, in the Weekly Newsletter published by the Oil Price Information Service OPIS). The issue of the Weekly Newsletter used will be for the last full week in the previous month received by the Department prior to the first day of the index month.
